Ok, Lorraine please use this as your get up and go, and send Donn something about starting. Make sure you copy me so I can follow through. I don't want this to get screwed up like the last deal and fall through the cracks.

Thanks,
Bill

Donn,
I need to get CH2MHill to get on board to help me with Wilcox, in Bristow, Oklahoma. The site will be added to the NPL and I will need a mailing list Adv. (Public Notice) Fact sheets, etc. Please get this started so we don't run out of time. I prefer working with CH, because they know exactly what I need and can get it done in a timely manner. Any questions please give me a shout.

Thanks,
Bill
